

# 1-866-407-6190 Virgin Atlantic San Francisco Office

Virgin Atlantic Airways does **not** maintain a standalone downtown ticket office in **San Francisco**. Instead, all in-person passenger services for travelers flying with Virgin Atlantic are provided at the airport where the airline operates its flights — **San Francisco International Airport (SFO)**. This is where you'll find ticketing, check-in, and flight support when preparing for travel.

Virgin Atlantic's main services in the western U.S. are focused on **international long-haul flights**, particularly routes between California and the United Kingdom (such as London Heathrow), rather than regional domestic flights.
